

BRAZILIAN RENEWAL

Ultra Strength Keratin Smoothing Treatment

DO'S AND DONT'S

DO'S

1. You can shampoo your hair at any time.
2. It is your hair, you can pin it up, wear a headband, work out or go swimming.
3. Use the Keratherapy Moisture, Volume or Color Protect or Keratin Fixx Shampoo and Conditioner to wash your hair and to prolong your smoothing treatment.
4. If color is not done the same day as treatment. Wait 2 weeks after the treatment.

DON'TS

1. Do not receive any color or highlighting services for at least one week before or one week after.
