

# COLOR LOCK & SMOOTH

## KERATIN TREATMENT SPRAY

**KERATHERAPY COLOR LOCK & SMOOTH** is the hottest new service in professional salons today. This 2-in-1 formula should be used after all color or highlighting services to lock color in and prevent fading, or as a simple in-salon express keratin treatment providing frizz control.

### FEATURES

- Works on all hair types for up to 4-6 weeks
- Replenishes natural keratin and collagen proteins that are lost over time
- Reduces frizz and blocks humidity
- Locks in color, extends vibrancy and protects from fading
- Adds shine and softness
- Deeply penetrates the hair while smoothing and sealing the cuticle
- Provides an express keratin treatment service in less than an hour
- Add-on to all chemical services in just 20-25 extra minutes
- Safe for color-treated hair

### KERABOND TECHNOLOGY

Combines the benefits of keratin with proteins, amino-acids, nutrients and natural ingredients resulting in strong, healthy hair that is frizz-free, shiny, smooth, manageable, and resistant to humidity.

### PANTHENOL

Form of Vitamin B that seals the cuticle while creating incredible shine. Maintains optimum moisture balance and repels humidity

### ARGANIA SPINOSA (ARGAN) OIL

Restores shine, cares for the scalp, and minimizes the damage caused by split ends. Rejuvenates hair from root to tip, increasing strength, elasticity and overall health

### OLEA EUROPAEA (OLIVE) OIL

Conditions, smoothes, and adds shine

### WHEAT GERM AMINO ACID

A rich source of vitamin E and protein that relieves dryness and adds softness and moisture to the hair

### COLLAGEN AMINO ACIDS

Increases elasticity, strengthens and promotes growth

### JOJOBA SEED OIL

Rich in minerals and vitamin E, acts as a humectant and creates a protective film over the hair shaft that helps seal in moisture and adds shine. Helps to repair hair damaged by heat and styling

### TOCOPHERYL ACETATE (Vitamin E)

Gives life to dull, limp hair. Heals, rejuvenates, softens, soothes and protects the hair and scalp
